Sheldon Moving Up!!!

Many of you know our County Extension Coordinator, Sheldon Hammond. He will be taking a promotion to the district office beginning December 1. We would like to express thanks to Sheldon for all he has done for the 4-H program over the past 15 years.

Please bring a thank you note or brief letter to put in a scrapbook for him. We will be presenting the notes and letters to him at the November Meeting.

This is really important to express thanks to Sheldon for all he has done for our county. If you do not know him, just write that you appreciate his support for the 4-H program and wish him well at the district office. For those who know him express thanks on a personal basis. Thank you.
